

# Have Fun Learning About History!

## Idaho History Day

### What is it?

- Premier Academic Enrichment Program for students in 4th—12th grades that is a process of learning to do authentic historical research
- Meaningful way to study historical issues, ideas, people and events
- Content adaptable, for students of all levels & abilities, and often exceeds district and state standards
- Integrates history with other disciplines

### What happens?

- Individually or in small groups (up to 5), students choose and research a historical topic to match the theme “The Individual in History”: actions and Legacies”
- Create a project (Performance, Documentary, Exhibit, Historical Paper, or Web Site) to show findings
- Compete in a Regional Idaho history Day competition with winners advancing to state and national competitions

### Awards?

- Scholarships, cash prizes, books, medals, ribbons and more (Watch for more detailed information on the [www.idahohistory.net](http://www.idahohistory.net) website)
